|---|----------------------------------|
| GRADES: 6-8 | LENGTH: 3-4 Class Periods |
| OBJECTIVE: Students will create a physical or digital cover for this year's yearbook. | |
| DIRECTIONS: Goal: Create a digital cover for this year's yearbook. Directions: 1. You can use your artistic talents or graphic design skills for this! You can submit a painting, drawing, digital or graphic design for this cover. If you are drawing, you will need to include your inspiration pictures and URLs of each image used in the Google Docs attachment, "Picture Inspiration Citation Page". If a physical picture, simply bring it in to show me the original inspiration. 2. All entries are required to have a picture or design containing the following: *Highly recommend making sure your entire picture is colored. 3. This is an assignment that will be worked on today and next week if needed. Any additional time will need to be done on your own time. You will be graded on your creativity, meeting the required text, and effort. Entering your work into the contest itself is optional, but encouraged. 4. Either use or attach your final project to this assignment before the due date to receive credit. If you choose to use a Google Slide or Google Draw file it is required to DUE: WORK DUE ALL TECH STUDENTS: ART ONLY STUDENTS: TURNING IT IN PHYSICAL ART is submitted to the Art teacher. | |
